

YEOVIL TOWN FOOTBALL CLUB

V

WIGAN ATHLETIC

Monday 10th August 1981.

Pre Season Friendly.

K.O. 7.30

Tonight we have the greatest pleasure in renewing our Association with the Officials and players of Wigan Athletic from the North of England. We last played a home and away series with them some five years ago when they were in the Northern League. Said by many to be up against it as far as election to the League was concerned, Wigan proved all the pundits wrong by securing their place in the Football League and making their mark in that League. Well done Wigan and now, of course, led by Mr. Larry Lloyd formerly with Nottingham Forest, as their Manager they are looking forward to further success.

On the Home front our signings have been Glyn Jones, Peter Hawkins and Ray Ireland, a last minute hitch took place with Twitchin, no Pun please, and he will not now be signing for us. Jimmy has three other players in mind and hopes to announce their names when the ink is on the contract.

Pre Season games are difficult to judge, ours have mainly been away, and remarks have been made about the obvious team spirit there now is, keep it going lads and that will win through. It is hoped a knock Glyn Broom had away at Barnstaple on Saturday, will not stop him playing tonight. The team lost 2-1 after dominating the first half,, a slight reshuffle may have been the cause, but the Club feels it is geared to a workmanlike start to a season. We really pick our matches, Saturday next sees us at Scarborough with a following mid week game at Dagenham and then home to Kettering. -----

Home Office regulations dictate we have Crowd barriers in position for this season and the Green and White Supporters, as well as decorating the Long Room have taken charge of this and are underway with the work. They have really been a force this long close season, many hours hard work going into keeping the standard of the Ground and surrounds up to scratch and the Club thanks them very warmly. They would not like to be named I am sure but thank you Gordon Foy, Mike Purchase, Ivor Gardner, Leslie Gay and our Peter. Carpentry renovations by Director Ron Warne- these are not all
